Tips on becoming a successful massage therapy student at MountainHeart.

- **Communicate, communicate, communicate!!!!**

We know that you are interested in school and a positive change in your life.

We almost always find ways for you to overcome the challenges you face concerning school.

Call us right away at: 800-673-0539 - or e-mail at: school@mountainheart.org

- **Stay the course!!!**

Don't give up - follow your heart!

When students do what it takes to come here to school, they are always grateful that they did it NOW - for themselves and others.

There is never a better time than NOW!

- **Set goals & take meaningful steps !!**

Hesitation & procrastination are ways our ego-mind keeps us from our dreams & true purpose!

Let us help you find new and creative ways to "keep the ball rolling" for you.

Start by having a phone conversation with us so we can help you determine your next steps.

- **Make the money game your friend !!**

When we say "I can't", or "I don't", concerning money, we tend to make that come true.

Successful students say "I can", or "I am" instead. Say it every day - many times !!

Find any way you can to be creative and fearless around money - stay resourceful.

Family, relatives, friends, and banks all respond much more positively to resourceful people.
